

Dear

We invite you to change a child's life and a family's future by sponsoring the Ninth Annual Family School Auction to be held March 7, 2010. The Family School is a unique nonprofit early childhood center dedicated to providing the highest quality education and early intervention to a diverse population of children and families.

Accredited by the prestigious National Association for the Education of Young Children (NAEYC), we are a recognized leader in working with children who have special needs, including physical, cognitive, behavioral, or familial challenges. The Family School provides integrated mental health and special education services - which is very rare in early childhood programs - and includes both special needs children and typical children in each classroom. The attached success stories give you some examples of the successes a child and family may experience through the support provided by Family School specialists in early childhood services.

Year after year, The Family School demonstrates what the experts know: investment in early childhood provides a solid foundation for the future, preventing problems that have devastating social and economic consequences. Paying for the integrated services so vital to school readiness for children and families is a constant challenge. That is why the parents who experience the Family School are asking you to help with a program we have seen in action. Each year we must raise the funds necessary to provide extra services required by children and families. The annual silent auction is our primary source of unrestricted revenue allowing us to provide on-site special education and counseling services for children and families. Our efforts are only possible with the support of the community.

All sponsorships of \$1,000 or more received before January 10, 2010 will be listed on the invitation, which is mailed to over 800 people throughout the Valley of the Sun. You may send us your logo for possible inclusion on the invitation (call for appropriate sizing and format).

Thank you so much for your consideration. With your help we will transform the lives of children and families! Should you have any questions about the school, your sponsorship, the program or our silent auction, please do not hesitate to contact us at (602) 252-5866. For more information about our school please visit www.tfsphx.org.

Sincerely,

Farina McKenzie
